Fashion Blogger Shilpa Ahuja Embraces 80s Rock in a Sexy Photo-Shoot

Chennai, India – Fashion It-girl and social media darling Shilpa Ahuja embraced the [80s fashion in her latest fashion shoot](#). In an editorial about how to dress for a night out, Shilpa donned a sexy black outfit that borrowed inspiration from the 80s rock chick look, which she titled as “Living the 80s life” while sharing it on Facebook with her 75,000 followers.

Shilpa wore a black leather mini skirt with a sleeveless top that had a sheer top panel, upping the hotness factor, and accessorized it with a black choker and matching tie-up heels. A spiked gold cuff played up the 80s rock inspiration with her layered tousled waves, as she posed against a stark white backdrop in a pose that emulated 80s rock album covers.

“I love 80s fashion – it was all about bold, in-your-face style,” Shilpa said in the editorial on her blog. “80s were so brash, expressive, unapologetic. I wanted to create an 80s rock chick look [...], but something that also borrows lots of this year’s styles – something different yet wearable.”
